CURRICULUM

Level 1: Beginners: Enjoy and Learn

Enjoy and Learn basic motor skills of T.T. like tapping, ball control and balancing, and push and counter. Prime aim is that a student enjoys and creates self interest in T.T. while learning basics.

Level 2: Intermediate: Learn and Excel

Once the students learn the basics of T.T., he undergoes comprehensive coaching by some of our advanced coaches to learn better techniques. Students are also trained for local level or promotional tournaments.

Level 3: Advanced: Excel and Win

This program is for players who want to pursue and play T.T. at state and national level tournaments. Apart from techniques and tactics, the player is taught match strategy and mental fitness by national level coaches.
